Delhi, India, [+91 77019 69889](tel:+917701969889), bhatiaekansh74@gmail.com, [LinkedIn](#)

SUMMARY

Results-driven Business Development Executive with a proven ability to generate qualified pipelines and drive revenue growth. Experienced in outbound prospecting, account engagement, and consultative selling, with a strong track record of managing client accounts and achieving sales targets. Adept at SaaS sales, product demonstrations, and stakeholder management. Eager to leverage a consultative approach and a history of exceeding objectives to contribute to your sales success.

WORK EXPERIENCE

01/2026 – Present	Business Development Executive Planet Sustech	Delhi, India
	- Generated qualified pipeline through outbound prospecting (calls, emails, LinkedIn outreach) and account engagement - Identified and engaged target accounts, converting outreach into discovery meetings and sales opportunities - Led discovery conversations to understand business needs and aligned solutions to drive deal progression - Managed 20+ client accounts contributing to ₹20L+ monthly pipeline value - Maintained structured follow-ups, opportunity tracking, and clear next steps across the sales cycle	
11/2024 – 01/2026	Key Account Manager TeroTAM	Ahmedabad, India
	- Supported new business development by engaging prospects and assisting in converting opportunities - Conducted product demos and participated in consultative sales conversations with multiple stakeholders - Identified upsell and cross-sell opportunities, contributing to 20–25% revenue growth - Maintained CRM hygiene, tracked deal progress, and ensured pipeline visibility	
01/2024 – 10/2024	Education Counsellor (B2B Sales) Crack-ed – CarDekho Group	Gurugram, India
	- Generated and qualified leads through inbound and outbound sales activities - Converted prospects into customers through structured follow-ups and objection handling - Achieved 95–105% of monthly targets with 20%+ conversion rate - Managed high-volume sales interactions in a fast-paced environment
